MESSAGE

The warranty registration must be received by Customer Services within 28 days from purchase, together with a valid proof of purchase, the batch number for the product and a valid email address.
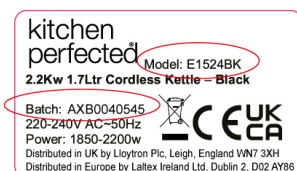

All other requirements within the registration process as outlined on the warranty card will remain as a requirement.

Batch Number and Model Number for the product can be found on a label under the product and will be shown as Batch and Model.
For Electric Blankets, this label can be found on the underside of the controller.
For Hairdryers and Shavers, this information is printed on the reverse side of the handles.

Model Number and Batch Number
can be found on the label under
the actual product.

Proof of Purchase
A copy of a Till Receipt or an Invoice is required as proof of purchase. Screen shots of websites or packing lists are not proof of purchase.
If you have purchased from Amazon, you can download a copy of the Invoice from the Seller in your account.
If you have purchased from Ebay, then you must request an Invoice from the seller.
If no proof of purchase is supplied, then the warranty registration will be void.
